SAVE £20
on new spectacles
costing £95 or more

Conditions: Only one voucher per named friend can be redeemed. Friends already patients of the practice or under 16 are not eligible. Voucher not valid for eye examination fee. No cash alternative is available. Excludes any other promotional offer.

...for using our practice

Your eyes have been professionally examined and your new spectacles have been expertly made so that you can enjoy the best possible vision in the future.

Quality eyecare

Our practice has built its reputation by providing professional eyecare, quality products and personal service. As a result many people choose us because of personal recommendation. So if you have a friend who could also benefit from visiting our practice, please consider recommending us to them.

Your friend will receive quality eyecare – plus a **special price reduction** on their first pair of spectacles – thanks to your recommendation. All you need to do is give your friend the attached voucher.

Save £££s on your glasses

By referring a friend you have paid us one of the highest compliments possible. To show our appreciation we would also like to **give you the same price reduction** on your next pair of spectacles. Once your friend has purchased glasses from us, you will be eligible for a valuable discount on your new spectacles.

How to introduce a friend

- Write a friend's name and your own name on the voucher. Use only one voucher for each named friend.
- Give the voucher to a friend who is not already a patient of our practice. You can introduce more people if you wish by obtaining extra vouchers from us.
- Tell your friend to bring the voucher to their first appointment. Your friend will then receive the special price reduction (specified on the voucher) on a new pair of complete spectacles.
- The redeemed voucher from your friend is kept at our practice so we know that you also qualify for a discount on your next pair of glasses. You can accumulate more than one redeemed voucher and can be credited with a total discount value of up to £100 per pair of spectacles.

By using this voucher both you and your friend can obtain quality spectacles at reduced prices. It's our way of thanking you for using our practice.
